Eclectic original piano music based on places visited by the composer, including Cheyenne, Garden Valley, Tiburon, Isle Royale, and more. 12 MP3 Songs CLASSICAL: Programmatic music, NEW AGE: Progressive Alternative Details: Trent Hanna wrote his first piece of music, Three Rat Boogie, at the age of eight. This work was lost years ago, but he still continues to compose to this day. Recently, his three-movement solo piano work, Dorland, won first place in the 2006 Contemporary Japanese and American Music Composition Competition. Due to this, he performed Dorland and several other of his piano compositions this past March for two concerts in Japan. Recently, Trent Hanna released this full-length, self-produced CD including some of his most recently composed music for solo piano entitled Sojournal. Unfortunately, Three Rat Boogie is not be included.
