

Spiritual And Visionary Communities: Out To Save The World

[DOWNLOAD HERE](#)

Spiritual and Visionary Communities provides a balanced introduction to a diverse range of communities worldwide. Focusing on communities which have had little previous academic or public attention, the authors explore a part of contemporary society that is rarely understood. Communities studied include: Israeli kibbutzim, Mandarom, the Twelve Tribes, 'The Farm' and the Camphill movement. Written from a range of perspectives, this collection includes contributions from members of the groups, former members and academic observers, and as such will offer a unique and invaluable discussion of religious and spiritual communities in the U.S., Europe and beyond.
