Report Description: What exactly are fan pages? According to the Facebook Pages Manual - which you can download and use for guidance in setting up your Fan Pages - Pages were added to the Facebook milieu so that businesses, organizations, bands, and celebrities could keep in touch with their fans in "an official, public manner." For us, the key word here is "businesses" because when we use a Fan Page for a niche specific keyword/product, that is our business. With a tightly keyword focused Fan Page, you will be indexed fast by the search engines. Your individual fan page will let you be recognized as an expert in your niche with exposure to maybe thousands of people each day, build your list, generate traffic to your blogs or websites, and much, much more. Table of Contents: Chapter 1: Social Media Marketing-A Simple Explanation Chapter 2: Why Facebook? Chapter 3: Groups or Fan Pages? Chapter 4: What Exactly are Fan Pages? Chapter 5: Search Engine Optimization for Facebook Pages Chapter 6: A Step-by-Step Guide for Creating Your Money-Making Facebook Fan Page Chapter 7: Monetizing Your Facebook Fan Pages Chapter 8: Connecting and Building a Relationship with Your Fans Chapter 9: Driving Traffic to Your Facebook Fan Page Chapter 10: Driving Traffic from Your Facebook Fan Page Chapter 11: Applications Chapter 12: Conclusion Here is a sample extract from my PLR report:

-----xxxxxxxxxxxxxxxxxxxxx----- One of the easiest ways to make money with your Fan Pages is to find a product you want to promote on one of the marketplaces, such as ClickBank or Amazon. Build your niche Fan Page around the product. But don't jump to do this! Make sure your Fan Page is up and running before you start trying to "sell" to your Fans. The good way to go is to first offer some free content that is of high quality - maybe a mini-course related to the niche. More people opt-in to a mini-course than to any other kind of free offer. Just make sure it is high quality and relevant to your community. After your Fan Page has become trusted and popular, you can use a tab to send your Fans directly to an affiliate sales page. It's just like anything else. Once your Fans trust you and believe in you, they are more accepting of the quality products you recommend to them that are relevant to their needs. It's a no brainer! Remember also to -----xxxxxxxxxxxxxxxxxxxxx----- Plus You Get a Bonus Squeeze Page Pack! This squeeze page has been made specially to be used on Facebook fan pages, although you can also use it anywhere else you like, such as your website. In addition to the squeeze page, a testimonial box for putting up testimonials on your Facebook fan page, as well as a product list for

putting up a list of your own or affiliate products on Facebook are included. All the 3 pages are built with plain html and css, so it is extremely easy to edit these pages in any way you feel!
