An amazing new report shows you the secrets behind successful mini sites! Yours for only \$25.95 - A deep down dissection of the most successful mini sites on the web and exclusive access to my 9-block formula for creating killer mini sites that sell like crazy! (Plus you get the complete rights to sell this great product and keep 100 of the profits in your pocket! Dear internet friend... Im already taking heat from some web marketing gurus for revealing this information here. But you know what? I dont care! Their secrets have been hidden long enough and in my opinion it is about time that someone actually showed *you* the exact steps to create a mini-site that makes mega-bucks... sites like the ones those gurus are using to build their online empires every passing day. In case youre still not familiar with mini-sites, let me give you a brief explanation of what they are and what they can do for you... An insider-look at mini-sites: Mini Sites are simple (but powerful) one or two page web sites that sell a product -- usually, an infoproduct. These apparently harmless sites, when done correctly are unstoppable money-making machines. If youve been on the net some time and if youre interested in the topic of online marketing, Im sure that youve seen some of the sites Im talking about... and chances are you even bought from several

of them. Right? Yes, thats how powerful they are... Actually, mini-sites are in my opinion the perfect web business. And how couldnt it be if... * Mini-sites are quick and easy to produce * Mini-sites allow you to test your marketing on the go * Mini-sites provide instant results * Mini-sites have *huge* response-rates

The fact is that if youre still not embracing the power of mini-sites to sell your products online, you might as well quit the online marketing race altogether and flush your money down the toilet! But be warned: Slapping up a one-page site and hoping to make a zillion dollars in sales is not all it takes. Killer mini-sites are studied psychological weapons that need to be created with the proper care. Ahhh... but when done correctly, a mini-site can make your sales and profits explode like nothing youve ever seen before! Do you know *exactly* what it takes to create a Killer Mini-Site that makes prospects buy? If you dont, youre not alone... Creating a mini-site that makes visitors flip-out their wallets and order your products is not as easy as it looks. Most people dont know the behind the curtains look at how to grab the reader by the throat and pull him into your site, how to write eye-grabbing copy, how to ask for the order, etc. These and other variables are the ones that make the BIG difference between one-page-duds and Killer Mini-Sites. Heres the good news... I have written a special report entitled: How to create killer mini-sites that sell like crazy! . Heres what experts are saying about it. Alpha del Bosque has a supreme understanding of the logic and psychology of mini-sites. Her superb report Killer Mini Sites is indispensable if youve been considering using this strategy in your Internet marketing. She makes a fairly complex topic very easy to understand, and the book is even enjoyable and great to *look* at! - Mark Joyner CEO, Aesop.com What a great idea! While everyone else is losing money on mega-websites, along comes Alpha with the brilliant idea of selling information on mini-sites! How to create killer mini-sites that sell like crazy! This brand-new report shows you the exact step-by-step techniques used by internet marketing experts to create mini-sites that sell and sell and then sell some more...
