

Mp3 Alan Whitfield - Colour Overload

[DOWNLOAD HERE](#)

English songs easy listening ballad/pop/soft rock Songs with a message observing the english countyside and rural life converting these thoughts into music. close your eyes listen and imagine the setting. 6 MP3 Songs POP: Delicate, EASY LISTENING: Soft Rock Details: Being a mature english song writer "Colour Overload" is an attempt to describe through the songs events places and observations in the rural north east of England. "Colour Overload" first track is about driving along noticing the various colours on each side of the road. "Fast Trax" is to do with driving on a motorway and watching events unfold in the wing mirror. "Gotta get a better love" reflecting and trying to get a better understanding of relationships. "Market Day" is observing a typical local English market town trying to get parked followed by "Just in Time" getting over the traffic lights without an accident. "Plazma Youth" watching the new craze plazma TV taking hold. This is a short story book put to music and hope you all enjoy it the music and lyrics speak for themselves. After many years working with other musicians it was time to release an solo album. Hope you enjoy!
