

Mp3 Arashi - Mechanical Eyes

[DOWNLOAD HERE](#)

Arashi (Japanese for "storm") features high-energy trance music; groovin' live beats with hypnotic musical phrases, analog synth textures and innovative effects. 13 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Dance Details: Arashi is a Boston based band founded in 1998 by Andy Marrone and Calvin Williams. Arashi released their first CD "Mechanical Eyes" in 2001. Mechanical Eyes has been well received by college and independent radio stations across the US and Europe. Mechanical eyes is a story about an artificially created being, and its quest for feeling and humanity, and the reason for its existence; going beyond daily programming. The parallel can be made to our own lives as we drone through our day to day hustle. As you listen, think about your own life; stop, take a deep breath of fresh air, and take in the beauty that surrounds us...
