I did things like hunt, fish, raised cows, pigs, ride horses, swim in creeks, play in woods, cut grass, bail hay, work, play, work, play, work, play, work..... It wasnt to much to do in Lexington at that time and still to this day, it still aint nothing to do! I left for the US Navy in 1987 to get away. I traveled to different countries and had a lot of fun for 9 years. After getting out of the navy in 1995 i worked odd jobs doing this that! I'm currently a Police Officer in Lexington, Ms trying to help the youth in my community to stay out of trouble in a place where there is still nothing to do.
