CLASSICAL: Orchestral, GOSPEL: Contemporary Gospel Details: Praise God from whom ALL blessings flow! Finally there is a CD for orchestra that is sacred, gospel and focused on a ministry that allows instrumentalists to play in church! Instrumental Praise Worship music is so vitally important to ushering in the Holy Spirit of any church service. We present to you the members of Ebenezer AME Church that perform these songs on any given Sunday to prepare the congregation to receive the word of God. This CD is dedicated to Pastors Dr. Grainger Browning and Dr. JoAnn Browning for their insight in having the vision to start an orchestral ministry. The first tune was written for them as they majestically enter into the Sanctuary of Praise. It is also dedicated to Senior Minister of Music Byron Cage for all the support he has given ESO over the years. To God be the glory!! This CD was produced by the Director of ESO, Bro. Chuck Carthan. He is also the composer of the fanfare and arranger of all tunes on this CD. There are scores and parts to all tunes on this CD. For more information, contact ESOMUSIC@carthanfor order sheet.
