

# Mp3 Erik Berglund Live 2003 - Pop: Piano

[DOWNLOAD HERE](#)

This is a large collection of my best live recordings when I arrived in Austin, Texas last year. The songs are solo piano and vocal, very melodic, in the style of Elton John or The Beatles. If you like heartfelt piano songs with strong melodies. 14 MP3 Songs POP: Piano, ROCK: Acoustic Details: Erik Berglund has been playing piano since he was 5. He used to write gentle instrumentals for the short movies he made. In the tenth grade, he heard "Brown-Eyed Girl" in a movie and decided to teach himself how to sing and write pop songs. After writing songs all through college, Erik decided to move to Austin, Texas to further his music career. The "Live 2003" album is a collection of 15 songs recorded at Waterloo Ice House, Bigsby's, and Gino's in Austin, Texas. Erik is very proud of these recordings, and considers them his best live material.
