Original lyrics in a blend of Pop, Rock and a pinch of Jazz. 10 MP3 Songs POP: Today's Top 40, ROCK: Progressive Rock Details: Dear Music Lovers, My music is an eclectic mix of many forms of music but it is essentially a combination of Pop, Rock and Jazz. I love playing the guitar and singing, but most of all, I enjoy writing songs. Lyric writing is especially important to me and is the most enjoyable part of my music. I've always loved music and it is still a big part of my enjoyment in life. "Your Love" is my latest CD and is all original material from the heart, I hope you enjoy it. This CD features Lindsay Mazza a wonderful singer and artist. She has a great vocal range and can sing any genre and make it sound easy. Email me and let me know what you think about the music.
