

Mp3 Haloburn - Unspoken

[DOWNLOAD HERE](#)

HALOBURN, featuring former members of 7th Rail Crew, Headshot, and Indesit, brings together each member's specialized talents and unique outlook on music, to form one focused, extremely tight attack of Hard Rock and Metal. 11 MP3 Songs METAL: Alternative Metal, ROCK: Hard Rock Details: "From the ashes of 7th RAIL CREW, INDESIT and HEADSHOT, comes one of the newer additions to your "must listen" list, the Boston-area band HALOBURN. If you dig Nothingface (albeit a more melodic version of), these guys should be right up your alley. File Under: Right in your grill, rhythmically solid, metal that both you AND yo' woman can appreciate. " -Deek WBCN 104.1 FM - Boston, MA Since playing their first live show in July of 2003, Haloburn has accomplished many of it's initial aspiring goals. Through all of the hard work and determination thus far, the band has succeeded in: Generating a large fan base which has allowed them to play high-profile shows at some of the northeast's top venues such as: (AXIS - Boston, MA; The Haunt - Ithaca, NY; The Penny Arcade - Rochester, NY; The Middle East Downstairs - Cambridge, MA; The Wallace Civic Center- Fitchburg, MA.) Sharing the stage with national acts such as Ill Nino, Mushroomhead, 40 Below Summer, Skrape, Spineshank, Dope, Death Angel, Slaves on Dope, Slitheryn, Kittie, E-Town Concrete, Pigmy Love Circus (featuring Danny Carey of TOOL), Sloth and more... Distributing thousands of CD samplers throughout the northeast featuring tracks from their upcoming album before its release. Releasing a full-length album titled "UNSPOKEN" with producer Jim Foster, (former member of Grand Royal recording artists NULLSET) in MAY of 2004. Receiving continuous airplay on AAA rock stations and numerous internet and college radio programs including: WAAF, WBCN, WFNX, ROCK101, spiderbiteradioand more... Being featured on WAAF 107.3 FM's Hill Man Morning Show Adult Calendar DVD, The "Miss Mantown" DVD (Track used "In the Wake") Making the final cut for the sound track in Marauder Production's horror movie "Fear of Clowns". (Track used

"Beneath the Stone") Releasing a video for their song "Atrophy" (funded by: Pino Bros. Ink. Tattoo and Piercing Emporium - Cambridge, MA) which has to date received thousands of downloads online at haloburn.com. Regardless, whether the band is driving out to the middle of a rural suburb to play a DIY style show for hundreds of eager kids, or showcasing at a prestigious venue for some of the industry's best, HALOBURN will be sure to leave an admirable impression.
