A foot-tappin' batch of Rock Instrumentals sure to make drivin', lovin', and livin' more Jammin'. 13 MP3 Songs ROCK: Instrumental Rock, ROCK: Hard Rock Details: Jimmy Bear's third album, "From The Jammin' Rug", is a foot-stompin', party-throwin', road-trip drivin', get your feet tappin' album from stem to stern! The influences of this album reach from Eric Clapton to Herbie Hancock, and lots of Jazz and Classical in between - all voiced in interesting, rockin' instrumentals. Jimmy Bear Pearson is a musical artist who has been performing and interacting with music on and off for several years. He has played several woodwind, brass, and stringed instruments throughout school and has had musical training. His music is influenced by a huge variety of contemporary and classical artists. The music he makes is conceived, performed, and engineered by himself (one track at a time) in his living area using a variety of guitars and instruments - all of which is mixed down to tunes with his Macintosh computer. The music is clean and clear, and is created to have a live (human) quality, but with just a touch of color as though lots of different people are playing the parts. Listen carefully to the music - it will take you on a journey you will sincerely enjoy! Stay tuned! There is a lot more music coming!! Enjoy!!
