Beautiful vocals and instrumentation on a cohesively spiritual theme-'silent music.' 6 MP3 Songs FOLK: Gentle, BLUES: Mellow Blues Details: Headed for a career as an English professor in the mid 1960s, John Lyle was broadsided by Bob Dylan and The Beatles. His degree went out the window, and so did he, playing in a series of bands and then performing on Canadian network television and radio as a solo act. He was also signed to two record labels during this era, but realized that because of his highly sensitive nature he was not cut out for the performing life. John returned to his home in the Vancouver area, and devoted himself to his family, supporting them with a career that may have been more dangerous than the performance stage. He became a postman. John Lyles wonderful body of work is evidence of a life lived on the streets and in the home, filled with all the love and loss and joy and despair that are part and parcel of being alive. The songs are vital, not written to imitate a commercial trend or to fulfil a contract, but to reflect the intensity of experience and to remain sane. The three songs included with this issue of A n R, , are prime examples of the impressive variety of emotions John has been able to express over the years in his nine independent albums. Magnificent! The late Robert Altmans word for John Lyles music, 'I like you, John!' - the late Pat Paulsen. 'John Lyle will take you gently to your safe place, and then sneak up on you with a song as uncompromisingly ferocious as a grizzly in a maternity ward. Dennis Albo, in his reality novel One Bullet Left, 'Wonderful, odd genius...I hate to think what they'd find if they opened up his head'-American comedian Heywood Banks.
