Mary Njau is married to Evangelist Francis Njau Kibuiya (Wanjohi Nyandarua) and she is a mother of three children Peter, Julia and Neema Njau all residing in USA. She is the daughter of bishop Johana and Julia Macharia, sister to Pastor Paul M Macharia of USA , Pastor Gideon M Macharia of Lamu Kenya, Evangelist Hanna Muchira of Mombasa -Kenya and other brothers and sisters making a family of 10. Mary was born in Kiambu district in Kenya, her father Bishop Johana was ordained when she was few months to be born, Marys parent moved the whole family to Muranga where she started her primary education , her father was then tranfered to coast provence to plant churches, so the whole family moved to Mombasa and Lamu Mpeketoni where Mary joined Uziwa primary then Kiongwe primary school .Mary was enrolled in lamu Girls high school and finished her high school education in Mpeketoni high school. Mary then moved to Mombasa where she got married to her husband Evangelist Francis Njau. Mary started singing in church and school choirs when she was a little girl ,she says she could hear Julia Lucy singing in the radio with her beautiful voice and imitated her still leaning more about God through her songs. Marys brother Pastor Paul started a night choir in their house called ngurunga (cave) children night choir where Mary started leading praises, worship and dance in front of many people for the first time. When she moved to lamu, Uziwa she started a small children praise , worship and dance team .Although Lamu is an Islamic dominion and many other pagan tribes, God helped Mary to have few children in her team; through this small praise team, most pagans came to know and accept Jesus Christ.

Mary never lost her vision even when she came to a foreign land, she started a USA Kenyan Praise Team which travels all over the USA praising, worshiping and dancing for the Lord. In 1992 Mary had a vision of producing a cassette and in 1993 she started composing songs like: Jesus Niwanyendire , Hihi ni umakagio, Hinya wa Jehova, Kioe Mutharaba and Ninyonete Murata. Mary kept waiting for Gods miracle to get funds for production , when her brother Pastor Paul was planning to pay for the production, God did a bigger miracle of opening Mary and her familys door of going to America. Mary searched for a music studio to record her songs before she leaves for America but in vain. Mary has traveled to Kenya couple times to produce her songs but every time she step in JomoKenyatta Air port she lost her voice i.e. the year 2002, and year 2003, this discouraged her but she never lost her vision because she new and believed that her God is able and faithful. She says that she believed that her God had to come and accomplish what He had started. Mary says that she believes that : what God can do no man can do and what God has done no man can undo, This came to pass in a foreign land USA away from Marys home (Kenya). God met the desires of Marys heart in a miraculous way, he send her servant gospel singer Mrs. Sarah Mbogo from Boston USA who directed and supported her in all ways till she produced her first 2 gospel cds i.e. UTheri ni Muku thi (The light has come to the world) cd volume 1, and JESU NI WANYENDIRE (Jesus you loved me when I was a sinner) cd volume 2. With the help of young christian Kenyan men, Mary says she got all she needed to produce her Cds without any struggles: The producer Mr. Felix Mwangi of 12th note studio in Boston USA 12thnotewho did all the recording, mixing and mastering, the art Director and Graphics Mr. Moses Kamau of new hemshire USA mozeCreativewho did all the art work and photos and the website designer Mr James salamba of St. Louis Missouri USA who helped with the website design, maintenance, hosting and all you can see in Marys website marynjau. Mary says if we release and surrender ourselves to the Almighty God ,He is ready to take care of our needs ; surely God knows what we need for our satisfaction. She says that she straggled so bad to follow her plans to produce her songs in Kenya BUT God had better plans for her. God prepared all the above people, places, funds, priests and friends to play their parts in her music, she says that it was beyond her imaginations and expectations. Marys songs are spiritual, scriptural and also inspiring, her song ndina itumi nyingi (I have numerous reason to thank and praise you God ) is marys thanksgiving song to God for what He has done in her life. Marys second album JESU NIWANYENDIRE (Jesus you loved me when I was a sinner), she says she is amazed by the love, mercies and the faithfulness of God and

because of this, she decided to live for God under His will all the days of her live. Mary is looking forward to draw many souls to the kingdom of God through her songs, she says after seeing the goodness ,greatness ,love and faithfulness of God, nothing can stop her from praising ,worshipping and dancing for the Lord. In most of Marys songs I.e. AHOI NGAI NAMA (the prayer warriors) and IHINDA NIIKINYU ARATA A JESU )the time has come for the Son of God to return, Mary is cautioning all people not to be deceived and tricked by devil. She has declared a war with the devil and she is announcing to the whole world so that everyone may know that the devil doesnt own anything and he is the father of lies - all he wants is to steal, destroy and finally kill Gods people. Mary is urging all people to believe and trust in Jesus Christ who is the only way, the truth and life. May God Bless you as you listen to Mary Njau's music and may He hide you all under His wings where the devil can do you no harm.
