People who are interested in Prince Jamiroquai Van Hunt should consider this download. Details:

METHODOLOGY.... With the release of their first album What We Have in January of 2006, METHODOLOGY joined the revolution to bring true Soul, R&B, and Funk back to the live stage. With approximately 50 independently produced shows across Canada in 2006, METHODOLOGY has grown into one of the foremost underground Live Soul acts in the country. In 2006 they were nominated for "Best Live Performance" and "Best R&B Group" at the Toronto Independent Music Awards, and were honoured to be nominated for "Group of the Year" at the Soultracks Awards in the USA (running against the likes of The Brand New Heavies, Amel Larrieux, Omar, and many other signed acts). Through online distribution, internet and satellite radio, campus radio, and music publications, METHODOLOGY has developed a world-wide following. Sites such as iTunes, Indiepool, Soultracks, Soulchoonz, 4daSoul, and Myspace have exposed METHODOLOGYs music to an international audience. Mixes of METHODOLOGYs music are being spun by renowned DJs in the U.K, U.S.A., and Europe. With thousands of hours of airplay on radio and in clubs, METHODOLOGYs music is now widely recognized in countries they have never even been to. Formed in late 2003, METHODOLOGY are five individual artists that found a blessed connection together, and formed a unit to create and perform some intense, original music. With KAMIL spearheading the group on Vocals, JAMIE laying down the live beats on the Drums, MARTYN churning out thick riffs rhythms on Guitar, STEFAN's sweet fingers on the Keyboards, and DAN laying down the bass on the heavy tip, METHODOLOGY is a band that focuses on great music with great musicianship. Now with the frequent addition of the vocal talents of JANELLE, Methodology often rocks the live stage

with six dynamic members. Their music has been called; a perfect mixture of Soul, Hip Hop, and Funk. The band has been described as; Imagine Jamiroquai, Stevie Wonder Prince all rolled into one fantastically melodic groove band. The music is straight from the soul, steeped in the flavours of Hip-Hop, R&B, Funk and Pop. 2007 and 2008 has proved to be busy years for the band as they delved into work on their second and now highly anticipated album titled "THE REPRISAL". With a fiercely growing large fan base and demand for new matieral, "THE REPRISAL" has been completed and recently released, already praised as one of the hottest albums to come out anywhere this summer! Reviews: Methodology bring Soul, R&B, and funk back to the forefront. -Movment Magazine, New York, USA. Methodology is a microcosm of the music Industrys current state, yet by performing so well in the areas of soul, funk, r&b hip hop, rock and jazz, they resist simplistic definitions and deftly escape the grasp of music business executives who lack the vision necessary to traverse the undergrounds brilliant sound vision. -UBO Magazine, Los Angeles, California, USA. Methodology are LIVE strategists for the soul Cool band, great music, and real people.4daSoul! -4DaSoul.com. USA Methodology is the perfect mixture of Soul, Hip Hop and Funk. -SOBO Magazine. Houston, Texas. USA Imagine Jamiroquai, Stevie Wonder Prince all rolled into one fantastically melodic groove band. -International Award winning Trumpeter Nick The Brownman Ali
