

Mp3 Michael Capezzone - Inspirations Of The Heart

[DOWNLOAD HERE](#)

Modern Folk Rock, Blues and Latin funk with a twist. 13 MP3 Songs FOLK: Modern Folk, FOLK: Folk Blues Details: Michael Capezzone is a familiar name around the acoustic and electric music scene in New England, especially along the coastline, where he's collected an ever-growing legion of fans over the years. Capezzone's debut CD features thirteen original songs showcasing his powerful vocal and instrumental guitar talents. His music is often compared by many to artists like John Prine, John Hyatt, Delbert McClinton, Bob Dylan, Eric Clapton, and J.J. Cale to name a few. Capezzone's songs tell stories that everyone identifies with. His music engages listeners right from the first note, holds them all night, and sends them on their way with his tunes in their heads and their in hearts...(and in their hands - CDBABY RULES!) So come on and see and hear for yourself what all the fuss is about! Order your copy of "inspirations of the heart" by Michael Capezzone today! ...and be sure to check out Mike's new album, The Learning Tree, available NOW on CDBABY.COM!
