Smooth Pop Jazz, with a dash of Soft Rock. 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Soft Rock Details: Multi talented, Michael Peyser began his illustrious music career at the age of 7 in his hometown of Sacramento, California when he started exhibiting his creativity via the piano. At 13, after being inspired and influenced by music legends such as Peter Frampton, the young rocker found he was as much at home with the guitar as he was with the keyboard and shortly thereafter, began writing, producing and performing on various recording projects for local artists. Soon after moving on to L.A., Michael was signed to Baywest Records as producer, composer and rock artist. He not only co-produced his own records but other artists as well. In the late 1990's, Michael took a hiatus from his music to study the art of "Hatha Yoga" and soon discovered that his music had also evolved. You'll hear it in "Dreams in Progress."
