Finally. Here is something cool, fun, AND educational for kids of all ages. This CD is chock-full of witty, original songs written in a variety of styles that will tickle your kids' ears, engage their brains and not drive you crazy in the process. 10 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: "My neighborhood PTA wasn't anything close to this cool." -O.C. Weekly Finally! Someone has figured out what kids (especially ages 6-12) really want! (and it's not more folk music!) Here it is! Gwen Stefani meets Mary Poppins... This "2004 Teacher of the Year" really knows how to get her students' attention! For the last decade, Miz B has motivated and inspired kids with her unique blend of humor, creativity, and savvy for keeping up with what they really need and like! Miz B has created an awesome CD filled with a fresh mix of rock and pop with a nod to retro Schoolhouse Rock and Tin Pan Alley. Oh yeah, there's a dash of rap to boot! Miz B's music assumes the intelligence and musical sophistication of today's child while making the songs fun, moral, and totally cool! Miz B's Raise the Brain is something that big kids (a.k.a. parents) will love too! In fact, parents just might find themselves listening to Miz B's Raise the Brain without their children even in the car! The Raise the Brain Team: Production and Arrangements: Frank Lenz Additional Arrangements: Richard Swift Piano/Keyboards: Richard Swift Guitars: Shawn Tubbs Bass: Elijah Thomson Drums: Frank Lenz Mixed and Mastered: Elijah Thomson
