Now in this space they've told me to write something that will just make you not be able to wait to hear my new CD but you know what, I can't come up with anything that doesn't sound like I'm writing a book report or some essay in school so I just decided to heck with it and level with you. I wrote and recorded the songs on this one like I always do just hoping to bring any listener some enjoyment and forget everything else for a while. I try to find a fun, driving beat on up tempo and when I'm not in the mood for that I love something with the blues in it and as always everything I do has a lot of heavy harmony. Music is one of the best things I've ever found in life and with this CD I hope I can pass that on to you. Hope you decide to listen and let me know what you think. I have also released a new gospel CD "Under God's Wings" You'll find it in the gospel section. Thanks for stopping by. And thanks again for listening.
