A four piece College pop-rock, emo band. 12 MP3 Songs ROCK: Emo, ROCK: Modern Rock Details: Hailing from Lawrence, Kansas, Podstar is one of the fastest rising power pop bands in the Midwest. Amy Sciaretto of CMJ Magazine writes, "It's quite conceivable that Podstar was separated from the Get Up Kids at birth." By the hands of producer Ed Rose (Ultimate Fakebook, the Get Up Kids, Reggie and the Full Effect), Podstar's new CD Lovely 32 features tons of dual guitar attack and intricate melodies blending together to create great pop songs that are as fresh as they are infectious. Songs like "Hop A Ride," "Never Enough," and "Signed, Missing You" really capture the essence of Lovely 32's emotional pop rock. Lovely 32 is the second release from Podstar on Lawrence, KS based label Noisome Records. Podstar's debut was described by Pop Matters Online Magazine as a "real ray of hope for youth." Tracing their influences to the sounds of Neil Young, Guided By Voices, and the punk energy of the late 1970s, Podstar write catchy power pop. Their combination of smartly built, melodic tunes and energetic, dynamic rock shows make them a band to watch. Podstar is Cameron Hawk - bass/vox, Aaron Swenson - guitar, Jo Jo Longbottom - guitar/vox, and JP Redman - drums.
