SACRIFICE IS NECESSARY Sacrifice is taking you on a journey through the issues of the ghetto with his new album "SYBIL" 16 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: West Coast Rap
Details: SACRIFICE IS NECESSARY Written By: Thema Love Sacrifice is taking it Back 2 The Block! His album "Sybil" is reminiscent of Tupac's "Me Against The World", and 50 Cents "Get Rich or Die Tryin".
The album took me on a journey through the streets of L.A., but the DVD really brought it to life. Sacrifice has the potential to pick up where Tupac and NWA left off.
