Details: Shady Rosy is comprised of Tony Laviola and Louise Peacock. Tony plays bass (yes everything you hear on this CD is Tony's work - there are no other instruments!). Tony also did all the arrangements and co-wrote all the songs, and also co-produced this album. Tony has been a musician for the past 40 years, and is as comfortable playing in a formal setting as in a casual one. When Tony is not being part of Shady Rosy, he plays on Jazz gigs, Rock gigs and Blues gigs in and around the Toronto area.

***** Louise Peacock is a singer/songwriter. She initiates all the songs - she gets an idea for a song, throws it out to Tony and they then work on it together. Louise writes the lyrics, but Tony often makes suggestions and they change or remove a word or a line. Louise has been involved with music since the 1960's and her background includes Classical, Jazz and pop. She began recording in 2000 and has been involved in numerous internet collaborations. She is on two compilation CDs "Blues Foundry" and "Blue Noel" and has recorded two previous CDs, "10 Weezy Pieces" and "Shady Blues"
