

Mp3 Tefo Hlaele - I And You

[DOWNLOAD HERE](#)

Afrobeat with American influence. 14 MP3 Songs WORLD: World Fusion, WORLD: African Details: Tefo is one of those musicians who never stop playing music, he came to London 30 years ago with a theatre called Iphintombi from S,Africa, which toured the world, including USA. Tefo is a percussionist, actor, guitarist, singer and bassplayer,he remained in England playing as a session musician with everybody,great musicians, DizzyGillipsey,ReneMaclane,Ossibisa,Mariam Makeba and many others. Tefo now's concentrating on his own production,performing his own material which you can now find on CD baby.com,and soon you'll be seeing him on stage, touring everywhere performing the same songs you'll hear on this album including the last one. Tefo's music tells you about his originality as a S,African,interested in the world's problems but also having fun while listening to it. Is that kind of sound that makes you feel like dancing while the words brings the world close to you.
