The baby of 60's bubblegum, 70's guitar rock, 80's new wave and 90's punk. 7 MP3 Songs POP: Pop/Rock, POP: Power Pop Details: A little bit of soul. A pinch of pop. A lot of rock. And an overabundance of fun. That's what The Banana Convention brings to every one of their performances, and that is what's kept their audiences from New York to Detroit to Los Angeles, and everywhere in between, entertained and having fun over the last 4 years. Up front is the extremely talented and equally as beautiful Mighty Afrodytee (Shar Molina). She can belt out her lead vocals with all the power and soul of the greatest singers of any genre. Her range and energy keep the audience engaged and focused on her and on her every sultry move. Percussionist and vocalist Oily McBride shakes the meanest tambourine this side of Davy Jones. Bassist "Groovy" Palm O'Poodertoot keeps the funky flow while drummer Fletch Bohanski's punk-like beats provide the high octane fuel that rocket the band into the stratosphere. Ray Torres on guitar has been banned in several non-smoking establishments because his licks come so fast and furious that his guitar neck has been known to catch flame. A spectacular blend of carefully chosen cover songs, mixed with their driving and dynamic originals, The BC's musical extravagnaza will keep audiences of all ages engrossed, dancing, and having a great time all night long. Feet will tap, hearts will pound, and bodies will move. All from the exuberance and intoxication brought upon them by the one and only, The Banana Convention People who are interested in Phish The B-52s The Presidents of the United States of America should consider this download.
