I began my creative adventure of songwriting a few years after I moved to an island in the Caribbean, San Pedro, Belize. I saw a solar eclipse and that night had a dream about playing the piano effortlessly and composing songs. The dream became a reality when three days later, the song, All is Clear was created, and then followed its performance on New Year's Eve for the millennium 2000 at Tikal, a pyramid site in Guatemala. I have been songwriting and singing ever since. Presently, I live with my family in Texas. I am an artist, art teacher and also the author of The Color Box and children's book, Be Like the Sun and Shine. I grew up in a musically gifted family and music has always played an important part in my life. As an artist, I express myself through drawing, painting and other mediums. Songwriting is my newest creative expression and the journey continues. Note: I designed the album cover, 6 page booklet, and the CD itself for All Is Clear using my artwork.
