

# Yesterday

Thomascows version of Yesterday is the top classic originally recorded by The Beatles for their album Help! (1965). the song is the most performed composition of all time, next to Happy Birthday. There is no doubt that it was written solely by McCartney, who still keeps churning them out. McCartney's original lyrics were, "Scrambled eggs, Oh, baby how I love your legs." Corny but true, I do not think the lyrics he finally finished it with can be improved, it was to our enjoyment that he kept changing till he finally got it as we now hear it. Enjoy
