

Long Time, No See - Beth Finke

[DOWNLOAD HERE](#)

With unflinching candor and acerbic wit, Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty-six as well as the seemingly endless spiral of adversity that followed. Finkes life story and her commanding knowledge of her situation give readers a clear understanding of diabetes, blindness, and the issues faced by parents of children with significant disabilities. Because she has taken care to include accurate medical information as well as personal memoir, Long Time, No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children. "Finke's frank accounting of life from a blind perspective gives a much-needed modern view of the visually impaired in our culture. She reminds us that never giving up the fight assures victory, regardless of the actual outcome of the struggle." -- Jazz pianist and composer Marcus Roberts
