Neil Young meets Radiohead for a pint of organic stout 6 MP3 Songs FOLK: Alternative Folk, FOLK: Folk Pop Show all album songs: Shape Changing Sky Songs Details: Aaron was born on Saltspring Island BC, and raised in rural northern Vancouver Island, then Vancouver BC. Since then, he has spent much time moving between urban centres (Vancouver, Berlin, Cardiff) and BCs rural West Coast. This moving between city and country has helped to give Aarons music a unique perspective. His love of acoustic instruments and folk music traditions, coupled with an urban sensibility, produces a distinctive blend of progressively alternative folk-rock. This perspective can also be seen in Aarons lyrical content, where references to the natural world run through much of his work. During the spring of 2007, Aaron Cadwaladr recorded his debut EP Shape Changing Sky. This 6 song EP showcases an eclectic sample of Aarons original material, with 4 of the songs recorded with a full band and 2 songs performed solo. Shape Changing Sky was released in November 2007.
