Piano and passionate vocal with ensemble, metaphysical pop, strong melody heartfelt positive message, 13 MP3 Songs POP: Piano, POP: New Wave Details: The bohemian artist enclave of Venice Beach, California is the home of singer, songwriter, poet, philosopher, playwright, and piano teacher Albert Morris. Albert has travelled the world physically and in spirit to gather the insights that comprise the core of his art. He has travelled around the globe, recently returning from five weeks in Europe. Extensive reading of metaphysical books (most recently The Biology of Belief by Bruce Lipton, PhD) provide the groundwork for his creations. This lifetime began in Norman, Oklahoma and will finish when the soul has completed its lessons and its teachings. An overarching subtext of Alberts oeuvre is that there is more to the world than what we see and that the power of our intent can create the form and path of our body and souls journey through this world.
