Highly versatile female vocalist backed by the sounds and rhythms of pop/jazz/blues/rock/country. 10 MP3 Songs EASY LISTENING: Adult contemporary, JAZZ: Contemporary Jazz Details: Allie was born in Chicago and has lived in Texas, Arizona California. She has had a passion for singing since she was 5 years old and has performed throughout the years in various venues throughout the country. Creating this CD with her band has allowed Allie to share her personal experiences creativity with others. The complex rhythms, dissonant chord structures, interesting melodies and meaningful words are what makes our music different and exciting! The music is all about relationships...Good or Bad the emotions shared...Anger, Fear, Love, Hope, Despair Joy! Each song tells a story...each with a different ending. For example: The song, "Jibalee", tells the story of two egos that clash, but later find love through "The Dance"! In the song "My Elusive Love", the listener is left to wonder if love is real or imagined! In the song "Listen Up"!, their relationship is over unless he gets his act together! And in "Mystic Magic", she summons Ethereal Love! The journey is sometimes Earthbound...and other times Spiritual Seeking. 10 songs...10 different moods...10 different rhythmic styles...but always with passion and always...ALLIE STUART! Whatever your life's circumstances...YOUR story is on this CD!
