

Mp3 Brave New Girl - No One Ever Said

[DOWNLOAD HERE](#)

A potent blend of soul, ska, jazz, funk and latin music fronted by a killer female vocalist. 7 MP3 Songs
URBAN/R&B: Soul, JAZZ: Jazz Vocals Details: Brave New Girl has been a staple of New York hipsterdom for almost a decade. With its signature blend of soul, jazz, funk and ska beats under sublime vocals from ska diva Dunia Best, Brave New Girl still rates as some of the deepest, most danceable music New York has yet to produce. Every song tells a story, and every story shouts the truth.
