Recorded in Lagos, Nigeria, Seattle, and Kauai, Hawaii (where I now live and gig with my group UNCO FUNKI). WISH is dedicated to the advancement of WORLD PEACE. My wish...this CD will cause folks to dance, sing, laugh, and THINK! And spread ALOHA for years to come... -Dan Bonow \_\_\_\_\_

Dan Bonow is simply unbelievable...not only a killer organ player but also a brilliant songwriter, electrifying singer and performer. His lyrics are sharp, funny, and wholly original, sometimes employing clichés in a surprising way that casts them in a new, ironic light. His voice has a broad range, from deep bass to silky falsetto, and is just dripping with pure soul. For organ fans, he's also a stunning left-hand keyboard bass player, setting beats that make it impossible to sit still. -Scott the Organfreak
