Adding a twist of flava to the region, standing in a category all his own. As a singer/writer/producer - he brings flavor reminiscent of old school with today's style. DeVon's style is fresh, edgy and very commercial. Laid back and smooth, yet dynamic and diverse. He's one of the most multi-faceted performers around. Graduating from the Baltimore School for the Arts, Devon has performed all around the country. As a founding member of his former R&B group Diversiti, he's performed in a regional radio/TV commercial, released a CD through EMI and performed the National Anthem at games for the Baltimore Orioles and the NBA's Washington Wizards. As a solo Artist he released a CD in Europe in 2004 receiving great airplay and charting success. Loving R&B and Hip-Hop, DeVon is influenced by the new performers as well as the old. From Michael Jackson to Usher, Stevie Wonder to R. Kelly. Inspired by innovative and creative talents, he likes to add new and fresh ideas to his work. DeVon is also influenced by producers like The Neptunes, Jam Lewis, Babyface and Timbaland. DeVon Howard is definitely one to watch. From his up-tempo jams to his timeless love ballads, he's truly a classic act.
