

## Mp3 Funkscribe - Synthesized Soul

[DOWNLOAD HERE](#)

New-Old School Funk with members of Parliament/Funkadelic- Talkbox and soul vocals, horns, and vintage analog keyboards create a new hybrid of hiphop, electro, and funk. 11 MP3 Songs in this album (44:12) ! Related styles: URBAN/R&B: Funk, HIP-HOP/RAP: G-Funk People who are interested in Dr. Dre George Clinton Parliament-Funkadelic should consider this download. Details: Funkscribe is a man with one mission- funkify the entire world. Armed with a talkbox, an arsenal of analog synthesizers, and an MPC2000XL- he creates the evolution of the funk AKA New Old School. This album features the power of Parliament-Funkadelic's mothership- Garry "Starrchild" Shider (vocalist for P-Funk), Lige Curry (P-Funk bass player), and Michael "Kidd Funkadelic" Hampton (P-Funk guitar player). Rounding out this funk mob is an array of the funkier musicians on the west coast to create FUNKSCRIBE'S FAMILY AFFAIR. After playing a west coast tour with the 420 Funk Mob Dr. Funkenstein George Clinton, the powers of the "P" were officially handed down to the Funkscribe. Funkscribe has also played with funk heavyweights such as Roy Ayers, Orgone, Nomo, and Delta Nove. Funkscribe utilizes the classic funky analog and vintage keyboards- such as the Hohner Clavinet D6, Moog Prodigy, Moog Little Phatty, Arp Pro Soloist, Arp Omni String Machine, Fender Rhodes, Wurlitzer Electric Piano, Hammond B-3, Roland Juno 60, and more. The idea is creation instead of replication- analog over digital baby! Bangin beats, horny horns, icky keys, cuttin' guitars, stanky bass, and low down dirty vocal harmonies- FUNKSCRIBE is pure uncut funk- the bomb.
