

Mp3 Harmone' (tha Black Pearl) - Harmone' (tha Black Pearl)

[DOWNLOAD HERE](#)

This Artist puts you back in the days when singing was full of Emotion and made you want to kick back and feel the music and lyrics. 15 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: R&B Pop Crossover
Details: Harmone'(tha black pearl)unsigned A Houston native that describes her sound as "Ole' Skool Music with a twist." is Rocking stages in different cities across Texas and sometimes venturing out to Atlanta, Ga. This artist is the writer, co-producer and arranger of her self titled debut album. Her stage presence and personality will make you fall in love with her raw talent, if her vocals don't sweep you up first. Playing 2 instruments and being on stage since the age of five, lets you know this artist was born to be on stage. Harmone'(tha black pearl) grew up listening to all types of music: Jeffery Osborne, Aretha Franklin, Sarah Vaughn and Stevie Wonder just to name a few. "When I was younger I use to lock myself in my room and turn all of my stuffed animals towards me and they became my arena." All of her hard work and dedication has definitely gained her a fast growing fan base. Opening for such artist as: Angie Stone, Mint Condition and Erykah Badu lets you know the direction she's headed. KEEP YOUR EYES OPEN!!
