A fresh take on Joni meets Janis-from sweet storytelling and bitter realizations to jangly Peace-Rock and low-down dirty Blues, a consummate performer claims her musical territory. 10 MP3 Songs POP: Folkly Pop, ROCK: Roots Rock Details: janie cribbs.....bio A performer since the age of 13, when she first took to the stage in a smoky Irish pub, Janie Cribbs has travelled the world and led a musician's gypsy life all the while experiencing many different styles of music and forming and finding her unique vision and voice along the way. "I'm a storyteller at heart" says Cribbs, and with the release of her newest c.d. "Afterall" we once again get the chance to come into her world and see the dreams and hopes, the losses and hidden truths that we all share. Established as an up and coming singer-songwriter in the Pacific Northwest and performing regularly with her band in venues from taverns to arts festivals, unplugged house concerts and 'in store's', the band "Creates uplifting and original music driven by Cribbs' passionate and often powerful lyrics and voice"(Skagit Valley Herald.) With credits to her name ( Twice Nominated Best Female Vocalist by the Washington Blues Society), and an energy-driven stage presence that captures the highs and dirty-down lows of her special fusion of blues, folk., rock and pop material, this soulful songstress delivers the whole package to her fans and is "Achieving stardom one town at a time." (S.V.H.) Janie Cribbs performs as a duo,(voice and guitar), trio (voice, guitar and harmonica) and acoustic quartet (adding hand drums) as well as a full-on electric band with bass.
