Pop Rock, love songs ballads 13 MP3 Songs POP: California Pop, POP: Today's Top 40 Details: Jimmy White was nominated Best New Artist at the 2006 New Music Awards for his two Number One singles in 2006, both off his breakthrough debut album, One Track Heart. Jimmy is a singer songwriter featuring gritty, soulful vocals, and great songs, with memorable hooks and captivating lyrics. He is New Jersey born and bred, and lives on the Jersey shore, writing and performing songs about life, and from life, with nothing left out, and nothing unsaid. His new album is the breakthrough HIDDEN PICTURES, a product of his work with the legendary engineer and guitarist Dave Bellanca, and featuring musicians such as Mike Caputy, generally regarded as one of the top three drummers in the United States. HIDDEN PICTURES is Jimmy's life, and its your life, uncovered, and celebrated. The first single off the album, Sure Feels Like Love, is already top ten, on its way to being Jimmy's fourth Number One single in the past 18 months. Jimmy is currently working on his third album, Chasing The Wind, which will be completed early next year.
