Improvisations of traditional hymn tunes of Christmas Epiphany, for multiple synthesizers. 24 MP3 Songs EASY LISTENING: Mature, GOSPEL: Traditional Gospel Details: IN THE MOON OF WINTERTIME a new celebration of traditional hymns of Christmas and Epiphany for your post-natal delight! The second offering in the Hymnancipation! series is a DOUBLE CD of 24 mixed-genre improvisations for multiple synthesizers. "I don't know that Handel would approve of a zydeco 'Joy to the World'; but I wanted to give it a whirl, anyway. I like to take a familiar tune and give it a new reading. It takes on a different and often deeper meaning." John Michael McCluney has played keyboards as a church musician for 30+ years.
