

Mp3 Jon Robert Quinn - Solo-fisticated

[DOWNLOAD HERE](#)

Jon Robert Quinn is a great guitarist and his second release "Solo-Fisticated" provides the sounds of Rock, Jazz, and Techno all wrapped up into awesome instrumental guitar music. 10 MP3 Songs ROCK: Instrumental Rock, JAZZ: Jazz Fusion Details: Jon Robert Quinn's second release "Solo-Fisticated" bursts with a new level of maturity and musicianship. The first thing that hits you is a fat, warm guitar tone in an awesome jazz groove called "Rhythm of the City", and the overall sound is excellent. This lucidity reveals a gifted and consistent songwriter, and sublimely talented guitarist, strengths that allow Jon Robert Quinn to express himself ever so eloquently, evoking emotions on a universal level. "Confused," is a techno-like, polyrhythmic scorch on which he grows a stratospheric guitar solo out of a few well-placed succinct phrases. That's just the first of the burning rock and jazz to be found on "Solo-Fisticated". ((((Here's a letter from a fan))) "I have just got your album. It flew all the way across the atlantic to The Isle of Lewis. I have now listened to it 4 times and it is sitting well with me. My son is 10 and he is learning the electric guitar and his wee ears pricked up when I stuck your cd onto my sound system. Keep working your guitar." - Gerry -----Official Press Release----- Twenty Two-year old guitarist Jon Robert Quinn brings new definition to Instrumental Guitar. Jon's technique is something from another planet and his melodic grooves will leave you in awe. His shows are full of energy, emotion and pure amazement as he blazes through the fretboard with musical mahem. "He is incredible. His show is something everybody needs to experience." said a JRQ Fan Jon Robert Quinn has become a bit of a road warrior, playing over 250 shows since May 2004 travelling up and down the West Coast. And is not afraid to genre hop providing Instrumental Rock, Jazz and Blues guitar. He has done a lot during his career performing live on television and making special appearances at fairs and festivals. One high point in his recording career was last year's release of "One Long Road." Soon after this release, he was

internationally recognized as a virtuoso of guitar getting interest from radio stations around the world. His music is currently playing in five countries. "I grew up in a household where my mother took lessons from Legendary Jazz Guitarist Johnny Smith and my father was into studio recording. I remember working in the studio with my father as a toddler helping adjust settings on the equipment." said JRQ. Jon Robert Quinn started playing piano at age 6 and picked up guitar at 14. Now at 22, he has what it takes to compete with some of the best. Jon Robert Quinn is talented, inspiring, a show man and truly, a virtuoso. ----- Other popular titles from Jon Robert Quinn include: New Faces (2000) re-released February 2005 Solo-Fisticated (2004) released January 2004 One Long Road (2004) released December 2004 JeRQ THIS! (2005) released November 2005
