Electronic Latin Funk 10 MP3 Songs LATIN: Rock en Espanol, WORLD: World Beat Details: Juancho's new musical venture is the result of common threads found in diverse musical streams such as Brazilian, Cuban, and Venezuelan rhythms as well as funk and blues grooves. Electronic textures and loops are a distinct part of the aesthetics of the project. It conveys a vibrant dialogue between electronic and acoustic instruments, between tradition and forward motion. The lyrics, which are sung in Spanish, English and Portuguese, portray a vision of life as a consecutive collection of moments. Some are deep and emotional, some are sarcastic and satirical, some are superficial and irrational.
