Classic New Age meets Native American flute. Dulin's keyboard work propels the music with lush undercurrents of sound, over which Offutt's haunting Native American flute soars. Healing, soothing music. Ancient wisdom for a modern world. 9 MP3 Songs NEW AGE: Healing, WORLD: Native American

Details: After a week in the mountains of North Carolina, Michael Dulin emerged with sore feet, a wild look, and a mission - to create music that could speak to the heart of the listener with the peace and power of nature. Dulin chose Chuck Offutt to join him for this CD, and he found Chuck to be the perfect partner. What better medium to express the beauty of the untouched world of nature than the instrument of the original occupants of this great land, a people who had, and have, such reverence for the natural world. Artist and critic Kathy Parsons sums up this CD beautifully: "This album can melt away the stresses of the day, providing a musical massage for the mind. Very nicely done!"
