

Mp3 Michael Matera - Two

[DOWNLOAD HERE](#)

Atmospheric instrumental music - dreamy synth pop and swirling guitars create a unique soundscape. 11 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: Michael Matera's inspiration for the CD "Two" came from the adoption of an orphan elephant named Uaso. "Two" has a unique sound with tribal drumbeats mixed with thick synth sounds and the occasional guitar, often not recognizable as a guitar at all. "Two" is Matera's second release for Neverwhere Records, he has been creating electronic music since 1995. Matera's first release, titled "M", was released in 1998 and received favorable reviews in the electronic music circles.
