Classic Rock, Pop Acoustic Singer/Songwriter blended together with lots of melody and soulful vocals 14 MP3 Songs in this album (57:23) ! Related styles: POP: New Wave, POP: Power Pop People who are interested in Tom Petty Neil Young Elvis Costello should consider this download. Details: Nik ventures into more musical territories on this overlooked second release. It gets rootsier with strong hard rock tracks like The Man With The Devils Voice, folkier with the strong story song, Neon Gambler and his sense of humor and southern California inspired muse will take you through the instrumental Bathtub Surf Dream. Of course Everett wouldnt let any album end without serving up his own brand of strong melody based pop songs and love ballads. Love=Blue soars with pain and heartbreak and is stunning in its execution and emotional depth. The same sentiments can be applied to Dont Let Time (Take It All Away) and the powerful closer, The Healing Has Begun. Everett can switch gears with the best of them and this fine collection proves it even more.
