These essential rhythms have been designed to inspire and enhance your natural creativity and to help you take your first step towards Freestyle Drumming for personal power. Biography: Pamela Lynn is known internationally as an accomplished World Percussionist, singer, songwriter and educator in the field of Contemporary / New Age Music. Pamela's unique and captivating sound was developed by fusing the interwoven sounds of West African and Middle Eastern rhythms with her own contemporary style. Pamela has recently signed with ACM Records a New York based record company. They will be making an official announcement and releasing her first single in the fall of 2007. Her mission is to make a significant contribution to society by living a life of social conscience, while following her passion for drumming.
