Multi-instrumental and vocal creation of a empowered deep experience of source, essence, divine presence, etc. 6 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: This Cd's intention is to present to the listener the experience of 'Deeksha' blessing or benediction that begins, or deepens, the process of personal connection to Source, Divine Presence, Soul... also known in Sanskrit as the 'Indweller'. Mr. Silbey, the composer,shares: "InDweller is my musical expression of the energy transmission process (Deeksha) brought forth and offered by Sri Bhagavan and Sri Amma at Oneness University, Chennai, India... and collectively by the many thousands of Deeksha givers collectively manifesting this powerful frequency at this time." He continues: "This voyage into the field of Oneness is intended to go to the very heart and soul of the listener, nurture and deepen his or her own indwelling essence... and then return, refreshed and renewed, to daily activity". THIS CD CALLS FOR FULL RELAXED ATTENTION AND CONSCIOUS BREATHING. Not recommended listening while driving, operating heavy machinery, cooking, watching TV, telephone conversations, etc. Mr.Silbey sings the male aspect of InDweller's vocals, and is honored to have Firefly Dances With The Wind singing the female aspect. This CD utilizes these vocals along with Piano and Harmonium, Ectar and electronic percussion, live Crystal Bowls, Tibetan Bells and bowls, and appropriate electronic effects.
