

## Mp3 Playeros - Los Nietos De Miami

[DOWNLOAD HERE](#)

A blend of jazz, funk, and rock embraced by Latin pop and in the vein of Santana. 12 MP3 Songs LATIN: Latin Pop, LATIN: General Details: Playeros has fused the elements of rock, funk, jazz, blues, samba, salsa, cha-cha, bossa nova, Calypso and flamenco into a Tropical Beat sound in both English and Spanish. Their rhythms and melodies run deep into past decades of influences such as Santana, Motown, Sypro Gyra, War, Allman Brothers and Latin Classics. The thread tying this variety of styles and sounds together is the Afro-Cuban rhythm. Playeros keeps the Latin percussion in the forefront of their dynamic material, unlike the recent trend where the music is American Rock with Spanish lyrics. Their music, heard for the first time, seems pleasantly familiar yet their sound is distinctly their own.
