Unique rolling beats embellished by passionate vocals make this debut album unforgettable. This is a fusion of ROCK, SOUL and ELECTRONICA that only Rachel Lynn has mastered. Headbang or simply nod your head to the beat...you'll be singing her hypnotical 10 MP3 Songs ELECTRONIC: Pop Crossover, URBAN/R&B: Soul Details: Acting as a soulful rep for humanity, Rachel Lynn brings unbridled honesty to the stage. Her lyrics are soaked with passion, irony and humility and only her unforgettable voice can back the power of her message. What you see going on around me is a mirage, something that wouldnt be present or real without music. There really is a drum that beats underneath it all. Originally from the Northwest, Rachel brings a fresh evergreen vibe to California where she has resided since January 2003. I knew Id either be a politician or a rock star in this lifetime; Well see what happens. As a jazz vocalist in her late teens, and then as a member of the University of Oregons elite Gospel Singers group, Rachel Lynn gained an edge in shaping the essence of her music. To see her perform LIVE is to be captivated. She owns the mic like a cool cat and enchants her listeners, transporting them to a place where honesty and passion collectively reside. I do my best to connect with each soul in my audience; Its important and it keeps them coming back for more. This newfound California-girl is celebrating the recent release of her debut album, New Day, produced by Marc Jordan. The album showcases her love for fusion and the top picks out of her twelve years of song writing material. Whether while enjoying a solo acoustic show or a major music event, Rachel Lynns unforgettable voice and soulful lyrics are destined to be heard.
