PARTY, GRITTY AND HEADBANGERZ ARE THE BEST WAY TO DESCRIBE SPACE ALBUM. HE LAID SOMETHING FOR ALL HIPHOP HEADZ. "GOTTA PEEP IT" 18 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: East Coast Details: "SPACE" WWW.BLACKEYERECORDS.NET Space grew up rappin' in the Parks and Clubs of Brooklyn, (East New York), an area where if your skills wasn't together the crowd would let you know. And the first time we saw him rap, it was obvious he had done his home work. His delivery, lyrical content, music, stage presents and the club crowd quickly made us aware his talent was unique. He gave us demos, and as the saying goes, "The Rest Is History"--- We took his tracks to Black Eye Records, where an agreement was made to release a single, "Phone" "G'S", to be followed by his just released Album "One Night". The Single, "Phone" created such a buzz in New York, Wendy Williams, (America's number one talk show diva) from WBLS Radio put it in regular rotation. Hot 97 gave it a few spins, local Cable, Sirius, XM, College, Community and Online Stations across the U.S., Canada and Japan played it. Artie, Wendy's producer was so impressed by Space talent, he and his production team 'Anarchist' produced five tracks for him. He also caught the attention of producer Ayatollah, who produced the bangin' track, 'Where U At'. Thyst, a former producer for Kook G Rap, produced the Album title track, 'One Night'. Space Singles, 'Phone', 'G'S', 'One Night' 'Feel So Good' are getting repeated support from the above mention stations and DJ'S, along with additional Stations, DJ'S and other Promotions.
