

Mp3 Talltree And The All Nations Band - When The Eagle Flies

[DOWNLOAD HERE](#)

Contemporary Native American music by Native American Music Awards nominee TallTree. "Terri Lynn TallTree has a voice that is truly a gift. Her voice was sent from the heavens. When singing together Robert and Terri compliment each other marvelously." 11 MP3 Songs WORLD: Native American, EASY LISTENING: Soft Rock Details: Audiences around the world have been touched by the powerful presence, music and message of Chief Robert TallTree and his wife, Terri Lynn. This recording combines contemporary Native American music with traditional teachings, passed down by their elders. The beautiful lyrics, mystical chants and the heartbeat of the traditional drum takes you into the center of the circle of life. The guitars, keyboards, strings and flute combine effortlessly to make this recording a cross-over into contemporary soft rock. TallTree and the All Nations Band created "When the Eagle Flies," which demonstrates a deep commitment to Native American cultures and traditions. In its engrossing songs, this CD reminds its audience that creation is interconnected and that unity is a primary value. "Walk In Beauty" is a tribute to Native lifeways, while "When the Eagle Flies" is a celebration of symbol and spirit. You'll want to experience this collection of songs over and over again.
