Todd Kessler's powerhouse debut, "we are the musicmakers," is full of beautiful melodies seamlessly layered over simple yet dynamic arrangements. On the fringes of so many genres this album is hard to classify but has something for all music fans. 9 MP3 Songs POP: Folkly Pop, ROCK: Acoustic Details: Todd Kessler is a local Chicago artist chartting new ground in the already vibrant music scene. Recently out of the University of Illinois, Champaign-Urbana with a degree in music theory composition, Todd has brought his knowledge of songwriting to the forefront with his powerhouse debut, "we are the musicmakers." Todd began singing at a young age and has studied guitar since the age of twelve; he began composing soon after. Playing in bands in high school and college, Todd found his sound as a solo artist playing the local clubs and bars in Chicago and the surrounding area. He is now backed by the dynamic alt-Bluegrass five piece band, Small Shiny Things.
